

Financial Statements with Reports of
Independent Certified Public
Accountants

June 30, 2020 and 2019

To the Board of Directors of:
Icahn Charter School 5

Report on the financial statements

We have audited the accompanying financial statements of Icahn Charter School 5 (the "Charter School"), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment. An audit does not provide a reasonable expectation of detecting all material misstatements.

Icahn Charter School 5

NOTES TO THE FINANCIAL STATEMENTS

June 30, 2020 and 2019

NOTE A - NATURE OF OPERATIONS

The Icahn Charter School 5 (the "Charter School") is an educational corporation formed to operate a charter school located in the City of New York, County of the Bronx. On January 12, 2010, the Board of Regents of the University of the State of New York, for and on behalf of the State Education Department, granted a provisional charter valid for a term of five years, incorporating the Charter School. The charter was renewed in 2020 for a term up through and including July 31, 2026.

The central mission of the Charter School, using the Core Knowledge curriculum developed by E.D. Hirsch, is to provide students with a rigorous academic program offered in an extended day/year setting. Students are expected to graduate armed with the skills and knowledge to participate successfully in the most rigorous academic environments and have a sense of personal and community responsibility. The Charter School is coeducational and nonsectarian and commenced instruction on September 12, 2011.

The Charter School is exempt from federal income tax under Section 501(a) of the Internal Revenue Code and is classified as an organization described in Section 501(c)(3).

In March of 2020 the World Health Organization officially declared COVID-19, a disease caused by the novel coronavirus, a pandemic. This caused many local and national governments, including New York State, to impose restrictions on business operations, travel and time spent outside the home. The outbreak hd.024 76 home. The outbreak

Consequently, certain revenue and related assets are recognized when pledged or earned and certain expenses are recognized when the obligation is incurred.

Net Asset Classification

The Charter School reports information regarding their financial position and changes in net assets according to the existence or absence of donor-imposed restrictions, as follows:

Net Assets without Donor Restriction

Represent net assets which are not restricted by donors. Net assets without donor restrictions are net assets of the Charter School that are fully available, at the discretion of the Board of Directors and management, for the Charter School to utilize in any of its programs or supporting services.

Net Assets with Donor Restriction

Represent net assets which are subject to donor-imposed restrictions whose use is restricted by time and/or purpose. The Charter School's net assets with donor restrictions are all subject to donor-imposed restrictions that require the Charter School to use or expend the gifts as specified, based on purpose or passage of time.

Net assets with donor restrictions may also include amounts with donor stipulations that the corpus of the gifts be maintained in perpetuity, but allows for the expenditure of net investment income and gains earned on the corpus for either specified or unspecified purposes. The Charter School did not have any such amounts as of June 30, 2020 or 2019.

Revenue

Revenue is recorded on the accrual basis of accounting. The Charter School derives its revenue primarily from state and local capitation from the public school districts based on student enrollment, contributions and grants.

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by explicit donor-imposed restrictions. Public school district revenues (state and local capitation) received from the New York City Department of Education Office of Charter Schools are recognized over

June 30, 2020 and 2019

Classification of Expenses

Expenses attributable to more than one program or supporting service are allocated based on relevant drivers such as the full-time student equivalent calculations utilized by the School.

Taxes

The Charter School follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This guidance provides that the tax effects from an uncertain tax position can only be recognized in the financial statements if the position is “more-likely-than-not” to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged.

The Charter School is exempt from federal income tax under IRC section 501(c)(3), though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. The Charter School has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated business income; to determine its filing and tax obligations in jurisdictions for which it was nexus; and to identify and evaluate other matters that may be considered tax positions. The Charter School has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements. In addition, the Charter School has not recorded a provision for income taxes as it has no material tax liability from unrelated business income activities.

NOTE D - RELATED PARTY TRANSACTIONS

Legal services are provided by the Inwood Opportunity LLC (the "Company"), a foundation for which Carl C. Icahn serves as a trustee, at no cost to the Charter School. These amounts have not been reflected as in-kind contributions in the accompanying financial statements, as neither the Charter School nor the Company has a readily measurable or objective basis for determining such amounts.

The Charter School utilizes certain facilities provided by Inwood Opportunity, an organization affiliated with the Company, at no cost. The estimated fair value of cost savings associated with such arrangement totaled approximately \$75,000 for the year ended June 30, 2019 and is recognized as revenue within state and local grants, and also included within expenses in the statement of activities. During fiscal 2019, the Charter School entered into a use agreement for this space, see below.

During 2012, Inwood Opportunity LLC and The New York City School Construction Authority entered into a funding agreement in order to provide a permanent location for the operation of three (3) public charter schools for grades K-8, one of which is the Charter School. On March 30, 2014, Inwood Opportunity LLC entered into a prime lease for the land and building located at 1500 Pelham Parkway South, Bronx, New York that is to expire on August 31, 2113, with The New York City School Construction Authority. Although the lease is between Inwood Opportunity and the SCA, the lease agreement designates the three (3) public charter schools as the initial users

NOTE K - LIQUIDITY

The school regularly monitors liquidity to meet its operating expenses and other contractual commitments. Strong emphasis on budget and treasury management is undertaken in an effort to anticipate organizational needs during both the short-term and long-term. For the purpose of analyzing resources available to meet general expenditures over a 12-month period, the school considers all expenditures for the period ending 6/30/2019. For the period ending 6/30/2019, the school's operating expenses were \$1,998,000, and its total assets were \$1,998,000. For the period ending 6/30/2019, the school's operating expenses were \$1,998,000, and its total assets were \$1,998,000.

Compliance and other matters

As part of obtaining reasonable assurance about whether the Charter School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under
