PBT Scoring Site Organization

Scoring Site Coordinator

- Supervision and management of the site
- Support for scoring
- Logistics for operations
- Security
- Coordination of site personnel
- Collection of audit papers

Operations

Scoring Site Assistants

- Check-in printed test booklets
- Prepare printed test booklets for scoring (organize and randomize)
- Deliver and collect scored test booklets
- Quality check PBT answer sheets
- Return PBT answer sheets to scanning centers
- Return test booklets to schools
- Monitor and maintain security
- Maintain quality control
- Ship completed materials to schools

Scoring

Scoring Leader

- Acts as a scoring trainer
- Monitors scoring sessions
- Supports Table Facilitators and Scorers
- Administers CAS to Table Facilitators and Scorers

Table Facilitators

- Monitor scoring progress to ensure scoring of all papers by the end of scoring period
- Conduct read-behinds to ensure accurate and reliable scoring
- Are a resource for rubric and training material clarification

Scorers

- Score student constructed responses

All scoring personnel are responsible for maintaining the confidentiality of student responses.

Recommended Assignment of Test Questions to Scorers for Mathematics Tests

Scoring Model Codes

(1, 2, 3, 4, 5, 6)

Scoring Model Code	The Scorers for the school's tests include the following:
1. Regional scoring	a) Scorers from three or more school districts, or b) Scorers from two or more charter, religious, or independent schools in an affiliation group (charter, religious, or independent schools may participate in regional scoring with public school districts, and each charter, religious, or independent school may be counted as one district)
2. Schools from two districts*	a) Scorers from two school districts, b) Scorers from two religious or independent schools, c) Scorers from two charter schools, or d) A combination of staff from two of the following: a school district, charter school, religious school, or independent school
3. Three or more schools within a district	Scorers from three or more schools in a district
4. Two schools within a district (PBT only)	Scorers from two schools in a district
5. One school (PBT only)	Three or more Scorers for each grade being scored, all from the same school
6. Private Contractor	Scored by a private contractor (not a BOCES)

* B

Regardless of the scoring model being used, a minimum of three Scorers is necessary to score each student's test. However, to comply with a State requirement, none of the Scorers assigned to score a student's test responses may be that student's teacher (refer to "Randomizing and Building PBT Booklet Folders/Boxes" on pages 31–32 for further details).

Assigning Scorers to Scoring Tables
